

WHY EVV – ELECTRONIC VISIT VERIFICATION?

EVV IS REQUIRED BY LAW IN VERMONT

EVV is a telephone and computer-based system that records visit information about certain home-based care for those on Medicaid.

If required, you cannot be excused from using EVV

What Programs must use EVV?

**Children's Personal Care
Choices for Care**

(including Flexible Choices & Moderate Needs Group)

**Attendant Services Program
Traumatic Brain Injury Program**

When is EVV is not Required?

EVV is not required when services are provided entirely outside the home or when the care provider lives in the home with the care recipient.

Use EVV as a Time Clock

EVV provides an easy way to record visit start and end times. You can use EVV for all services, even those that occur entirely in the community.

On-Demand EVV Training

Visit www.arissolutions.org and select the EVV Icon.

Learn at your own pace. You have access to an Online Video Library with recorded webinars and how-to videos, user manuals and easy to follow quick reference guides.

Are you an Employee?

You will use a smartphone app or landline phone to record the time you start and end a visit.

The EVV Mobile App is available free of charge and can be downloaded to a smartphone or tablet. The app can record a visit even without a cell or Wi-Fi signal.

If a smart device is not available, you can use the care recipient's landline telephone to call a toll-free number to record the start and end of each individual visit.

Are you an Employer/Participant?

You will use an EVV Portal Website to review and correct visits.

If you do not have a computer, call our **EVV Support Team at (800) 798-1658.**

Save time doing payroll with EVV

EVV visit data will automatically feed into the E-TimeSheet Portal. EVV can also make a report and show you what times to enter on your paper timesheets. You can also choose to use EVV to record all of your visits if you prefer.

Contact us TODAY to enroll in E-TimeSheet Portal.
